National Tree Week

On Tuesday, March 21st, our school planted a White Beam tree, which was kindly sponsored by Shane McKenna, Bawn Nurseries. This tree was blessed by Fr. John. Each family took home a tree sapling, which was very generously donated by the Tree Council of Ireland through the Federation of Irish Beekeepers Associations'.

The Chairperson of our Board of Management and well known local bee-keeper Mr. Michael Gleeson performed the planting ceremony assisted by Fr. John and some of our pupils. Michael Gleeson gave our pupils a presentation about the importance of trees in the environment.

Congratulations to Fr Patrick on becoming an Irish Citizen
